Message from Chairman

Dear Prospective Students / Parents / Guardians / Well Wishers

First of all, I would like to extend my gratitude to all our valuable students/parents/guardians/well-wishers for your immense support and cooperation. I would like to equally thank all the individuals for trusting us and walking together in our academic journey.

As a chairman I am thrilled to announce that Rising Star College of Management is run by team of dynamic academicians. Since 2009 we are serving quality education to the learners which educates them to lead their future. Undoubtedly, the team of professional educators provide interdisciplinary education and motivate each child to achieve their goal. We highly respect diversity and equally celebrate it. We strive to serve the transformative and practical learning and make them responsible and social. So, we believe that our efforts will definitely help to shape up their better future. A place where student fully weaves the learning culture and turn it into a beautiful fabric.

We don't only focus on the education, but also focus on their physical and mental health, their nutrition and we make them feel like home. We recognize each student's capacity to learn and

teach them in their need basis. Through our experience, we claim that we create an ambience that fosters creativity, innovation and exploration.

Our teaching faculty, continuously evolving through professional development, goes beyond the role of educators.

Focusing on different kinds of extra-curricular activities we involve them to introduce different life oriented practical education. Rising Star College of Management is not just a college; it is a dynamic community where learning is hands-on. Our interdisciplinary approaches ensure students not only gain knowledge but also develop essential life skills.

I invite you all to join us on this transformative journey where our words match our actions, and education in an immersive experience that shapes futures.

Thank you for considering Rising Star College of Management as your partner in academia.

Mr. RB Adhikari, PhD Scholar
Chairman

Statement from Chairperson (SMC)

Dear students and parents,

Welcome to Rising Star College!

Rising Star College is known as a leading co-educational institute and center for excellence in Nepal due to a constellation of energetic, dedicated, visionaries and young intellectuals. Though, Rising Star College has become able to step up into plus 2 and college (BBS, TU) level. I think this is a great achievement and success of Rising Star. As a chairperson (School / College Management Committee) of Rising Star, my happiness can't be put into the words and expressed but should be felt. In this academic journey of Rising Star, I am very grateful to all the parents, students, well-wishers and especially young and energetic team for their incomparable

contributions and continuous efforts to create this history in academic ambience in Nepal.

Rising Star always believes in effort to achieve success not only in extension of institute but also a quality education as well. We have been primarily committed to providing quality and competitive education by focusing on holistic development of students. We want our students should be self-motivated, independent, confident and decision makers to take up a leadership role in future.

Mrs. Gyanu Shrestha
Chairperson (SMC)

Mission

To provide management education of global standard and develop leaders equipped with the values required for the global economy.

Vision

To contribute in nation building through human resource development.

Teaching Methodology

Rising Star College of Management adopts the most innovative teaching methodology which maximizes students learning potentials. Our methodology is different from that of other educational institutes. Though theoretical inputs are essential to any business management program we do not give it undue emphasis as others do. Our stress is on the overall development of the individual. We believe that the old concepts of management are no more relevant in the current scenario because the technological changes and innovations are fast transforming the very basis of the concept of management. Today, what one will need is the skill to manage people. How effective one is in goals set for oneself, decides one's success as a manager. The syllabus is reviewed and analyzed periodically to be in sync with the latest developments.
